

Welcome to first grade families,

My name is Diana Martín and this will be my third year teaching first grade at LILA. I am excited to begin what will be an amazing and unforgettable year with your child!

Before the school year starts, I would like to introduce myself to you and your family. I am from Madrid, Spain. I am an active and outgoing person who loves being outdoors and doing Crossfit. Other activities that I enjoy doing are spending time with my friends and experiencing new adventures.

Before coming to Minnesota, I received two Bachelor degrees in Elementary Education and Early Childhood Education. Since graduating, I worked as a kindergarten teacher for five years at a school in Spain. While teaching, I furthered my education by attending workshops. One part about teaching that I love is working as a team with families to ensure that students are as successful as they can be during their time with me.

I look forward to meeting with all of you at the welcome conferences. There I would like to hear about your child and answer any questions or concerns you may have. Meanwhile, please feel free to contact me at: [dmartin@mylila.org](mailto:dmartin@mylila.org)

See you soon,

Profe Diana
