

**LAKES INTERNATIONAL
LANGUAGE ACADEMY**
An IB World School

Dear Parents and Guardians,

Welcome to Kindergarten!. My name is Angela Guerra and I will be you child's teacher for the year.

I am from Chile, one the longest countries in the world with a very diverse geography in South America. I was born in the city of Santiago and I have lived there until now. I studied Nursing for three years, but I realized it was not my calling, so I decided to study Education.

I graduated from the University of Andres Bello of Chile, with a degree in Early Childhood Education. I worked one year in Chile as a teacher, then I was a Language Ambassador for LILA last year. This will be my first year here as a teacher, so I am very excited to start classes and have a great year in this community.

I have a huge family (seven siblings), so I am used to being around children. I have been a swimmer my whole life. I love sports it is a lifestyle for me and also like to promote a healthy, active life.

I look forward to getting to know you and my students throughout the year. At the Welcome Conference I will explain details of the work we will be doing and what to expect. Feel free to bring any questions or concerns with you to the meeting.

Sincerely,

Profe Angela
