

Lakes International

LANGUAGE ACADEMY

AN IB WORLD SCHOOL

August 2018

Dear Families,

¡Hola! My name is Kristina Kofski, and I will be your child's fourth grade teacher this year. I have previously taught first, fourth, fifth and sixth grades here at LILA and am returning to fourth grade this year. I'm interested to see how the units of inquiry have changed since the last time I taught fourth grade, as it's been a while—my former fourth graders are now in college! I'm looking forward to a wonderful year with your child filled with learning, exploration, and fun!

I grew up in the Twin Cities area but went east for college, earning my bachelor's degree in bilingual education and ESOL (English for Speakers of Other Languages) from Boston University. Shortly thereafter, I departed for Nicaragua, where I served for two years as an environmental education Peace Corps volunteer. Several years ago, I completed my master's degree in education and certificate in Gifted Education from Hamline University.

My husband John and I live in Wyoming with our boys, Andy, who is nine, and Danny, who is six.

I encourage you to visit my webpage to learn more about what this year has in store for your child: <https://sites.google.com/a/lakesinternational.org/profe-kristina/>

I look forward to meeting with you and your child at the end of the month! In the meantime, please feel free to contact me with any questions at kkofski@mylila.org.

Enjoy the rest of your summer, and ¡nos vemos muy pronto! (See you very soon!)

Sincerely,

Profe Kristina
