

Hola Familias!

Welcome to first grade at Lakes International Language Academy! My name is Andrea Hernaiz and I will be your child's teacher for the 2018-2019 school year. This is my first year working at LILA and I am very excited to be part of the first grade team! Above all, I am thrilled to have your child in my class and I'm looking forward to a wonderful year of learning and fun. I can't wait to learn more about your child but first, I'm going to tell you a little bit about myself.

I was born in Madrid, Spain and I graduated from CES Don Bosco College where I got my bilingual degree in Elementary Education. I spent two summers studying English in London, England. From there I moved to the United States and worked as a Language Ambassador at an IB school in Minneapolis. In my free time I like to travel, hang out with my friends and family, snowboard, play tennis, and spend time with my Chocolate Lab, Ryan. In the summer months, I like to spend time at my beach house in Alicante, Spain with my family where we go to the beach and relax.

I'm looking forward to learning about your child as well as sharing our plans and goals for the school year at the first grade bienvenidos conference in September. If you have any questions or concerns I'd be happy to address them at the conference. Until then, you can reach me at ahernaiz@mylila.org.

Have a great rest of your summer and see you soon!

Profe Andrea
