

Dear Guardians/Families,

My name is Anne Dvorsky and I am the school Speech-Language Pathologist. I am originally from Iowa. I attended University of Northern Iowa and obtained a B.A. in Marketing and Spanish. While I was at UNI I studied abroad in Valladolid, Spain and Arica, Chile. Afterwards, I moved to Minnesota and worked as a retail manager before switching gears and deciding to pursue a new direction in Speech Pathology. This combined my love of language and helping others. I went back to school at University of Minnesota-Twin Cities for a B.A. in Speech-Language Hearing Sciences. I went on to earn my Master's of Science at University of Wisconsin-Stevens Point. I then worked for the past two years for the Green Bay Area Public School district as a Speech-Language Pathologist providing services in Spanish and English. I worked with a variety of language disorders primarily with preschool aged children. While I enjoyed my time in Green Bay I decided to move back to Minnesota to be closer to friends and family. I am excited to work for LILA and look forward to my time here.

Sincerely,

Anne Dvorsky, M.S., CCC-SLP
