

Learner Profile:  
Attributes*“Navigating through Nature”**Caring***Getting to Know One Another! June 13th - 16th:**

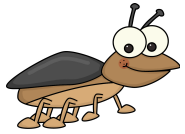

Welcome to Explorer Club! This week we will be making connections with our new summer friends through stories, art, games, music and a trip to Beltz Park for some fun summer outdoor activities!

*Inquirer***Dazzling Desert! June 19th - 23rd:**

Explore the habitats of the desert and what animals and plants survive there. Join us as we build beautiful sand art and participate in an adventurous scavenger hunt this week.

*Risk-Taker***Creepy Crawlers! June 26th - June 30th:**

Discover some of the amazing ways our smallest creatures survive in their environment. This week we will be learning, feeling, and touching some creepy creatures who live amongst us.

*Open-Minded***Imaginations Gone Wild! July 3rd & July 5th - 7th:**

Come ready to stretch your imagination this week as we celebrate the USA with fun activities to celebrate Independence Day! Join us for a summer backyard BBQ picnic.

*Knowledgeable***Weather Wonders! July 10th - 14th:**

Brace yourself for some fun learning and exciting activities as we experience weather in a new way. Through hands on water activities, arts and crafts, and what to do in a weather emergency. It's sure to be an exciting week!

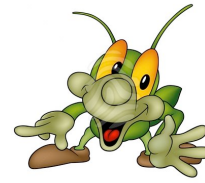

*Communicator***Where the Wild Things Are! July 17th - 21st:**

This week we will be grabbing our binoculars and going on a jungle expedition in search of “Where the Wild Things Are.” Bring your favorite jungle stuffed animal this week!

*Balanced***Mother Nature's Canvas! July 24th - 28th:**

Sit back and enjoy the sounds of nature while creating art on canvas this week. Take home a beautiful work of art created by you!

*Thinker*

**Creature Feature! July 31st - August 4th:**

Come celebrate your favorite animals at Explorer Club. We will have fun with face paints and animal costumes for a costume parade at the end of the week. Let your imagination go wild!

Last Week of  
Explorer Club!  
*Reflective*

**Buggin' Out! August 7th - 11th:**

It's our last week at Explorer Club, come and enjoy gym games, water activities and explore the lifecycle of the beautiful butterfly!

*EXPLORER  
CLUB CLOSED*

**August 14th -18th: Explorer Club is closed for summer take down and school year set up and trainings.**

**\*Field trips are included in your tuition and will be marked on your summer activity calendar. All activities and field trips are subject to change.**
