

**DISCIPLINE, SUSPENSION AND DISMISSAL OF SCHOOL DISTRICT
EMPLOYEES 202**

I. PURPOSE

This policy sets forth rules regarding school employee discipline, suspension and dismissal.

II. GENERAL STATEMENT OF POLICY

The disciplinary process described herein uses progressive steps, where appropriate, to produce positive corrective action. While LILA intends to administer progressive discipline in most cases, the specific form of discipline chosen in a particular case and/or the decision to impose discipline in a manner otherwise, is solely within the discretion of the school. LILA employees, with the exception of contracted employees, are at-will employees.

III. DISCIPLINE

A. Violation of School Laws and Rules.

The form of discipline imposed for violations of school laws and rules may vary from an oral reprimand to termination of employment or discharge depending upon factors such as the nature of the violation, whether the violation was intentional, knowing and/or willful and whether the employee has been the subject of prior disciplinary action of the same or a different nature. School laws and rules to which this provision applies include:

1. policies of the school;
2. directives and/or job requirements imposed by administration and/or the employee's supervisor;
3. federal, state and local laws, rules and regulations, including, but not limited to, the rules and regulations adopted by federal and state agencies.

B. Substandard Performance.

An employee's substandard performance may result in the imposition of discipline ranging from an oral reprimand to termination of employment or discharge. In most instances, discipline imposed for the reason of substandard performance will follow a progressive format and will be accompanied by guidance, help and encouragement to improve from the employee's supervisor and/or leadership team and reasonable time for correction of the employee's deficiency.

C. Misconduct.

5. disciplinary suspension, demotion or leave of absence without pay; and
6. dismissal/termination or discharge from employment.

B. Other forms of discipline, including any combination of the forms described in paragraph A above, may be imposed if, in the judgment of the administration, another form of discipline will better accomplish the school district's objective of stopping or correcting the offending conduct and improving the employee's performance.

V. PROCEDURES FOR ADMINISTERING POLICY

A. In an instance where any form of discipline is imposed, the school director or employee's supervisor will:

1. Advise the employee of any inadequacy, deficiency or conduct which is the cause of the discipline, either orally or in writing. If given orally, the school director or supervisor will document the fact that an oral warning was given to the employee specifying the date, time and nature of the oral warning.
2. Provide directives to the employee to correct the conduct or performance.
3. Forward copies of all writings to the administrator in charge of personnel for filing in the employee's personnel file.
4. Allow a reasonable period of time, when appropriate, for the employee to correct or remediate the performance or conduct.
5. Specify the expected level of performance or modification of conduct to be required from the employee.

B. The School Director retains the right to immediately discipline, terminate or discharge an employee as appropriate, subject to relevant governing law where applicable. The school board reviews terminations and discharges.

C. Suspension – The Director may suspend any employee (found deficient or suspected of wrongdoing) for 5 days with or without pay. The Director may extend the suspension for an additional 10 days to allow for Board action.

D. Dismissal – The Director reserves the right to dismiss without cause any at-will non-licensed employee with 10 days notice and Licensed Teachers with 30 days notice. The Director reserves the right to dismiss immediately any employee for cause. The Director shall report suspensions and dismissals to the School Board for review.

E. Terminated or discharged employees may appeal to the School Board within 30 days of the action.
