

Queridas familias,

Welcome to fourth Grade! I would like to take this opportunity to present myself. My name is Cesca and I am from Barcelona, Spain and I will have the big pleasure to be your child's teacher.

I want to let you know more about me. I spend part of my childhood learning with a group of scouts and then I was working some years in different areas but always with children. After that studied elementary education bachelor degree and I had the opportunity to visit Forest Lake. I came to LILA three years ago as a Language ambassador in 3th grade, that year I learn a lot about the school. Two years ago was my first years working in fourth grade and was an amazing experience.

Some of my interests include traveling, music, spending time with friends and family and reading. I would like to teach my students more about my culture and language, at the same time that we learn from each other. I look forward to meeting and greeting each of you at Bienvenidos Conferences where I would like to know about your child, answer any questions or concerns that you may have and share with you my goals and aspirations for this school year. If you have any questions, please contact me at:

Have a great rest of the summer and I see you soon!

Saludos,

Profe Cesca.
